Pre-Season Friendly  
Hillingdon Borough v Yeovil Town  
Wednesday 30<sup>th</sup> July 2008 7.45ko

**Welcome** to the Middlesex Stadium for this evenings game which see's Boro's ex Youth, Reserve and 1<sup>st</sup> team player Rob Fitzgerald return to the club in the colours of Yeovil Town.

As part of the deal that took Rob to the Glovers back in March this year, we would like to thank Yeovil Town Football Club for giving us this opportunity to host this match in honour of Rob's achievements.  
Bearing in mind the Glovers last night had a friendly with Plymouth Argyle, Yeovil boss Russell Slade will no doubt use this match as an option to view fringe players and select trialists, while for Boro, new gaffer, Rob Burton will have his first real chance of putting together his newly assembled squad.

Rob Fitzgerald

We wish 'Fitz' every success in his new future and will be keeping a close eye on his progress
